Charles Street

The Charles Street Vertical Village offers High Physical Support (HPS) and Improved Liveability (IL) accommodation apartments that were built to provide you with the freedom to move around your own space as independently as possible.

The specially designed apartments provide:

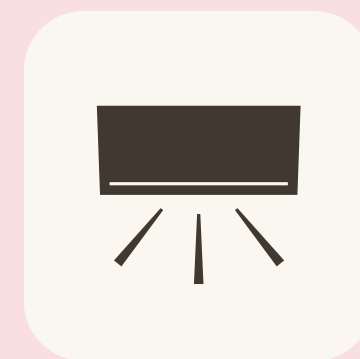

- Assistive technology equipment
- Automated front doors
- Kitchen counter accessibility options for wheelchairs
- Pull out appliances
- Ceiling hoist capacity
- Outdoor balcony ramp

Skilled support practitioners are present around the clock to ensure your well-being. Our team's collective aim is to assist you in achieving comfort and overall happiness within our supported environment.
